Parsonage Farm, Watchet: WATCHET ^{LIVE} FESTIVAL, West Somerset's largest outdoor music event, returns in 2012 for its sixth successive year. Once again it will take place over the August Bank Holiday weekend, between 24th and 26th August 2012.

Watchet ^{LIVE} is a not-for-profit family-friendly festival with amazing views of the stunning West Somerset coastline and beyond. Three live stages, including the famous *Croissant Neuf* solar powered venue will host over than 50 live acts, bringing a wide range of high-calibre musical acts not normally found performing in West Somerset, at a very affordable price.

In addition, an *Open Mic* venue, the infamous *Something Else Tea Tent*, a *Silent Disco*, *Music and Arts workshops* and a large *Festival Market* ensure there really is something for everyone. There are also all the usual festival amenities you would expect: a large campsite with a reserved families-only zone; secure on site car parking; an extensive Food Court, Real Ale and Cider Bar and free kids-zone

Watchet ^{LIVE} 2012 features its biggest-ever line up. Headliners **Miles and Erica** (The Wonderstuff) will perform their best-loved hits including 'Dizzy' and 'Size Of A Cow'. **Mad Dog Mcrea** are one of the Westcountry's hottest bands, having recently won *Best Album* at the *South West Music Awards*. **The Wurzels** return to their favourite festival, for what is, due to popular demand, now a regular booking.

Watchet ^{LIVE} 2012 is set to build on the success of the 2011 event which saw nearly 5,000 people from Somerset and beyond attend the festival. Efestivals.co.uk declared that, "*Watchet is a lovely little festival*" and neonfiller.com described it as, "*One of the UK's most eclectic boutique festivals*"

With a host of internationally renowned artists performing, a friendly 'small festival' vibe, stunning views across the West Somerset coastline, and a full range of tickets and camping options, WATCHET LIVE is a fantastic festival and a perfect place to spend August Bank Holiday weekend.

Highlights of WATCHET ^{LIVE} FESTIVAL 2012 include:

- 3 live music stages featuring over 40 live music acts
- Glastonbury Festival's very own *Croissant Neuf* Tent featuring live acts all weekend.
- Festival-owned ale bar selling a wide range of drinks at "cheaper than pub prices"
- Cider Island and Food Court
